Honorable William J. Casey  
Director of Central Intelligence  
Washington, D.C. 20505

Dear Mr. Casey:

*Bill*  
This letter is to follow up on our exchange of correspondence last June 29 and July 22 with regard to the intelligence needs of the Federal Emergency Management Agency in the area of Soviet civil defense. I would like to express my thanks for the responsiveness of the Central Intelligence Agency and the Intelligence Community to my request for an unclassified update of the July 1978 DCI report on Soviet civil defense. My staff and I feel that this is an excellent and timely piece of work, and we plan to publish it shortly.

We at FEMA feel we have excellent and mutually beneficial working relationships with the Central Intelligence Agency at all levels, and are confident this will be as effective in the future as it has been to date.

Sincerely,

*L.O. Giuffrida*
